* Lapse protection does not guarantee any cash or surrender value. Failure to make premium payments as planned may cause the policy to lose lapse protection, and premiums required to restore it could be significantly higher. Payment of the premium required to maintain the lapse protection does not guarantee that the policy will remain in force after the end of the lapse protection period. Additional premium payments may be required after the lapse protection period ends. Lapse protection does not apply to the optional Flexible Coverage Rider benefit. Refer to the product prospectus and endorsements for complete terms, conditions and limitations.
